Green with envy

Muzo Colombian Emeralds combine with pretty Argyle Pink Diamonds in this stunning platinum cocktail ring. The central round-cut Muzo Emerald (10.11 carats) is surrounded by a halo of Argyle Pink Diamonds in a domed setting of round-cut white diamonds (totalling 1.85 carats), interspersed with 1.18 carats of marquise-cut Argyle Pink Diamonds to form a paisley-style pattern. Muzo Emeralds, considered to be the national pride of Colombia, are steeped in the tradition of the mines that carry the same name. So too are Argyle Pink Diamonds, one of Australia's most precious and rare gemstones. This extraordinary piece is available to purchase from Sydney jewellery and watch specialist, J Farren-Price, retailing at AU\$338,000. jfarrenprice.com.au
