A PASSION FOR BLOSSOMS

Our in-house florist Paolo is responsible for Le Grand Bellevue's magnificent weekly floral arrangements. Throughout the hotel you will see an ever evolving display of dazzling flowers that both reflect our colorful interiors and the beautiful nature of the Swiss Alps right outside of our own front door.

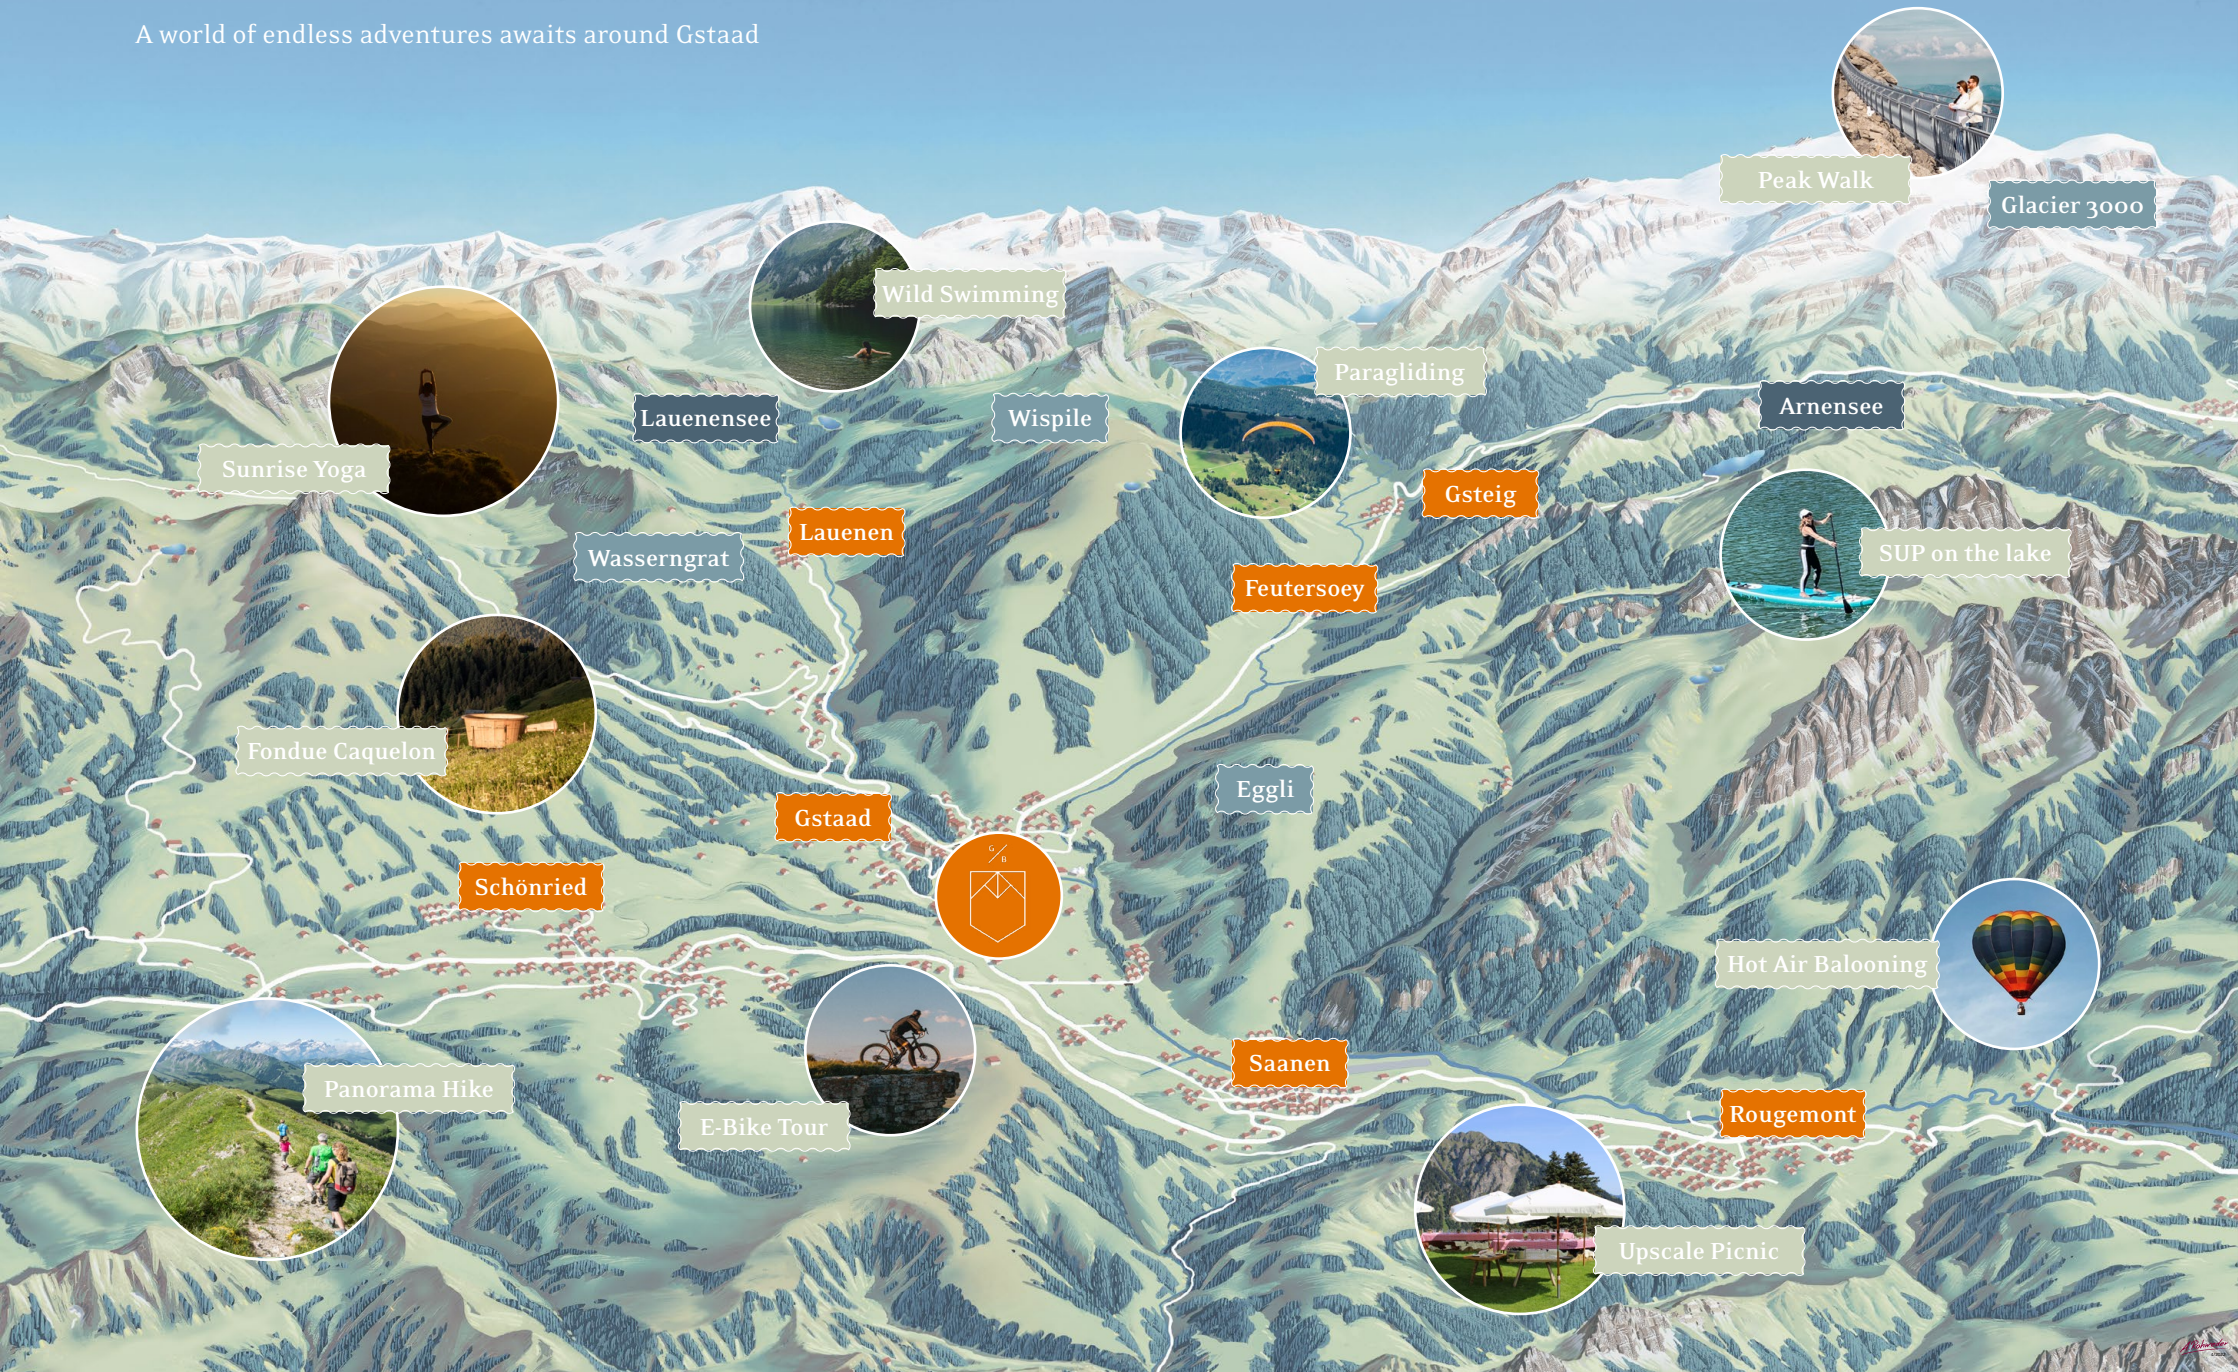

Revel in beautiful hothouse blooms and wildflowers during one of our floristry classes. Paolo will expertly guide and help you create your own beautiful floral designs. We are also happy to organise special arrangements for your private event or bouquets as a bespoke gift.

Ever since I was a young child, I have admired and loved flowers with their fragile, yet infite beauty and of course the mesmerizing scent. I am proud to share this passion with all the guests of Le Grand Bellevue.
