A MAGICAL WINTER AWAITS

Dear Friends, Dear Guests, Dear Family,

One of the greatest advantages of *time flying by* is that we are soon approaching our wonderful and festive winter season. Magical images appear of snow-dusted landscapes, the sounds of ringing bells on horse-drawn sleighs, the smell of mulled wine and cinnamon, and that whipped cream capped hot chocolate.

Le Grand Bellevue's haven of delight cocooned in the Alps provides sharp contrast to the rather challenging global times. Allow us to pamper you and accompany you into the indulging world that shall help recharge and revitalise you and your loved ones.

Highlights include once again our beloved friend *Massimo Bottura* and his team spoiling us in April; the return of the sensational *Krug Canozet* nestled under the trees offering its truffled fondue; a series in Le Grand Spa focussed on *Mindfulness*; not forgetting our *Polar Bear Club* and all its treats for the little ones; or the adrenaline pumping program of heliskiing, airboarding, or even high altitude mountaineering.

As our slogan in Gstaad states "Come up - Slow Down", in our case "*Come up and let us carry you down...*" Come live the pampered way, come live the Bellevue way.

*We very much look forward
to welcoming you...*

Owner & Managing Director
