EMBRACE THE BELLEVUE WINTER CHARM

Dear Friends, Dear Guests, Dear Family,

As you bid farewell to Autumn and its falling leaves and colours, the blissful news is that Winter lies invitingly before you... with all its wonder and charm.

The wood fires and jingling sleigh bells, the crisp freshness of the mornings with the sharp mountain silhouettes, and the delicious and very naughty culinary remedies from our hot chocolate menu to our dulce de leche desserts... Cocoon yourself in our deep velvet sofas while participating in a traditional decoupage activity or playing on our oversized board games; breathe in deeply while learning how to yodel... and for the real chocolate aficionados, try our chocolate facial!

The team at Le Grand Bellevue remains focused on our hospitality to pamper you from head to toe... come and indulge yourself. Perhaps you will notice some changes to our façade, our new cars, or the pop-up Rag & Bone shop, but the warmth within, the aromas and delicious wares are all true to our core value and love for what we do.

Prepare to be pampered the Bellevue way...

OUR CONCIERGE'S LOCAL RECOMMENDATIONS

A taste of tradition, with a twist of Bellevue charm.

Switzerland is a country where heritage lives on in music, craftsmanship, and countryside customs. At Le Grand Bellevue, we're delighted to share them with you. Our curated collection of cultural experiences invites you to step into the heart of Swiss tradition, from the joyful echoes of *yodelling* to the intricate paper cuts of *découpage* and so much more...

Yodelling concert

A little yodel goes a long way.

Once a call across alpine valleys, yodelling is now a cherished symbol of Swiss folklore. Partnering with Explora guides, enjoy a private Le Bouquet concert by a local yodelling band and a playful introduction to the art, complete with warm-ups, laughs, and high notes.

350 CHF for one hour (1-4 people)

400 CHF for one hour (5-10 people)

For reservations for more than 4 guests, a prepayment is required.

Découpage workshop

Scissors, stories, and Swiss tradition.

Step into the delicate world of découpage, a folk art with roots in 19th-century alpine villages. Guided by a local expert, you'll snip and shape intricate silhouettes to craft your own keepsake, inspired by timeless Swiss motifs.

180 CHF per person and 80 CHF per additional person

For reservations for more than 4 guests, a prepayment is required.

Cheese Grotto

A cheesy delight.

The world-renowned Gstaad cheese grotto is far more than a storage space; it's a stage, even a "cathedral", where flavour takes centre stage. Discover cheeses aged to perfection, with the oldest treasures dating back to 1931.

Minimum 6 people

168 CHF in total

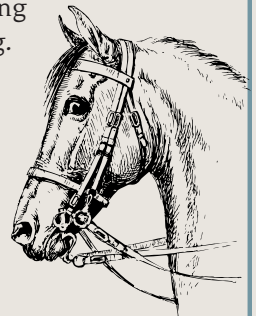

Horse Drawn Carriage Ride

Dashing through the Gstaad snow.

Step back to the 15th century with a horse-drawn carriage right from our doorstep and explore Gstaad at a gentle pace powered by two to four horses. The rhythmic sound of hooves on snow, combined with the softly falling flakes, creates a truly magical storybook setting.

Starting from 200 CHF for 1 hour

Ski Lessons with Local Instructors
Glide into the Gstaad winter with confidence.

Whether you're carving down alpine slopes, mastering your turns on a snowboard, or exploring peaceful cross-country trails, the expert instructors offer tailored lessons for all levels.

CHEF FRANCESCO'S APPLE TART

Tarte Ingredients:

- 240 g puff pastry (rolled out and trimmed)
- 100 g frangipane cream (see below)
- 4 large Boskoop apples
- Sugar mixed with cinnamon powder
- Brown sugar
- Gruyère double cream (to serve)

Frangipane Cream:

- 85 g butter
- 50 g brown sugar
- 2 eggs
- 70 g almond paste
- 1 vanilla pod
- 50 g white flour

Instructions:

Beat the butter until creamy, then gradually mix in the remaining ingredients, folding in the flour last.

Pro tip: the cream can be made ahead and frozen.

To Assemble & Bake:

- Roll out the puff pastry to 4 mm thick. Use a 30 cm cake tin as a guide to cut a round base.
- Chill the pastry until firm. Spread 100 g of frangipane cream in the centre, leaving a 2 cm border.
- Peel, core, and slice the apples, not too thin, not too thick.
- Layer the apples evenly over the frangipane.
- Sprinkle the border generously with brown sugar and dust the apples with a mix of sugar and cinnamon.
- Bake in a preheated oven at 210°C (410°F) for 15-17 minutes, or until golden and puffed.
- Dust with powdered sugar and serve warm, ideally with a dollop of Gruyère double cream or a scoop of Fior-di-latte ice cream.

Francesco De Bartolomeis
Executive Chef

“Enjoy warm, with friends, or curled up solo with a good book. Either way, winter just got a little sweeter.”
