EMBRACE THE BELLEVUE SUMMER CHARM

Dear Friends, Dear Guests, Dear Family,

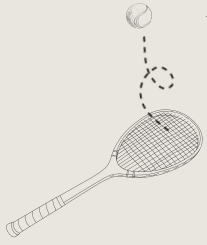

Welcome to a summer made for memorable moments at Le Grand Bellevue, where timeless elegance meets a spirited sense of fun in the heart of Gstaad.

Life is back outdoors, exactly where it should be. Take a Swiss picnic and find your perfect mountain view, or claim some well-earned me-time in the spa, now featuring the exceptional new skincare line from myBlend.

Beyond our doors, Gstaad is in full summer swing. Feel the energy at the Beach Volleyball World Tour and the EFG Swiss Open, lose yourself in the magic of the Menuhin Festival under this year's theme "Family Matters" and discover the real Switzerland on National Day or during the Züglete, when farmers drive their cows down from the mountains through the Promenade and in front of our hotel. From sporting spectacles to slow alpine afternoons, Gstaad has something for everyone and plenty worth remembering.

We look forward to welcoming you and hope you enjoy discovering our summer highlights and all the inspiration that comes with them.
